Height	1940mm

Product description

TCN-D900-9RR: Premium Slave

The high-end slave machine for demanding locations. Convinced by gentle product output thanks to lift system and maximum safety thanks to reinforced construction.

System: Slave (required master)

Issue: Spirals with lift system

Capacity:6 levels / 54 slots

Material: Galvanized steel & Safety glass

> **HIGHLIGHT:**The integrated lift conveys even sensitive products (e.g. glass, carbonated beverages) gently to output.

Application area & Design

Optics: Elegant black exterior finish with bright, white interior for perfect goods presentation.

Condition: As a slave module, this device requires a master machine for control.

Security & Quality

Intrusion protection: Reinforced, break-proof double glazing

Longevity:rust-resistant galvanized steel body

Issue: No falling, no shaking thanks to lift

Environment: Operating safe from -10 ° C to +40 ° C
