Product description

?METAL PANEL FOR NAYAX ONYX– FOR CONVERTING SQUARE MODULE OPENINGS

This precisely manufactured **Metal panel** serves to insert a square automatic opening into **around** for the **Nayax Onyx** to convert payment terminal.

The panel ensures that the round Nayax module **visually clean and flush**– integrates into the automatic housing without any modifications to the housing itself. Ideal for retrofitting, design adaptation or replacement of older terminal formats.

- ? **Compatibility:** Suitable for Nayax Onyx.
- ? **Function:** Changes square opening in round shape.
- ? **Material:** Made of sturdy metal – durable and accurate fit.
- ? **Design:** For seamless integration into the machine image.
- ? **Assembly:** Easy to mount – does not need a housing change.
