Product description

?BLEND (FRAME) FOR COIN GRAB COMPARTMENT

This precise plastic panel serves as a frame for the coin take-off compartment at machines with coin changers. It is installed exclusively on devices with coin changers and ensures a clean, stable bordering of the cash withdrawal area.

The assembly takes place quickly and easily with **4 screws**. Due to the robust plastic material, the aperture is durable, low-maintenance and visually inconspicuous.

? **Use:** Especially for machines with coin changers.

? **Function:** Serves as a frame for the coin drawer.

? **Material:** Robust plastic, precisely manufactured.

? **Assembly:** Easy fastening with 4 screws.

? **Optics:** Take care of a clean finish.
