Service & Principle

Children (or parents-child teams) choose their vehicle and track and compete in an exciting race. The game offers four varied scenes that are child-friendly and provide a true racing atmosphere thanks to the large 65" display. The control takes place via simple steering and pedal movements – ideal for younger players.

Security & Maintenance:

- Non-slip seats and stable handles for children.
- Solid design for daily use in gaming halls.
- Easy cleaning and maintenance by modular design.

Scope

- Mecha Racing main device (4 players)
- 65" HD display
- Control elements & Seat unit
- 4 race scenes preinstalled
- 2 transport units (packed)
