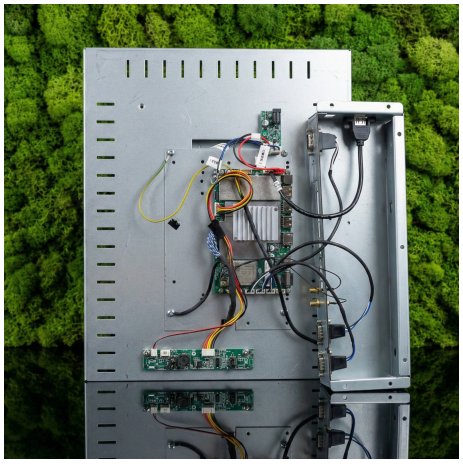
Boards for 22" Touchscreen (Full Set - 3 pieces)



Complete 22-inch touchscreen board set (3-piece) for TCN vending machines. Original spare parts for display, touch and system stability.

Item number UD10664

Product description

Boards for 22" touchscreen (complete set - 3 pieces)

The electronic heart of your display. This set contains all three necessary boards to restore the full functionality, image playback and touch control of your 22-inch TCN screen.

> **ALL-IN-ONE REPARATURE:**In case of display failures or system errors, the screen itself is often not defective, but the control is defective. Exchange the entire electronics to safely exclude sources of error.
