

Spirals for TCN vending machines

Discover our high-quality spirals for vending machines. Durable, efficient and easy to install.

Item number UD10349

Weight 0.175kg

Length 450mm

Product description

Original TCN Spirals (45 cm length)

Optimum product presentation for your machine. Our high-quality spirals provide a smooth ejection of snacks, drinks and non-food items. Thanks to different distances (pitch), they can be perfectly adapted to any product size.

FLEXIBILITY: Available as a right or left-turning variant to configure double coils (dual coil) for wide products.
