Item number UD10703

Length 3560mm

Width 320mm

Height 1940mm

Product description

Triple locker with 120 compartments

Optionally also in other compartments: 19 compartments, 28 compartments, 64 compartments or 80 compartments.

The space wonder for maximum goods offer. This configuration combines a smart control unit with three generous locker modules. The result is **40 spacious sales compartments** for everything that does not fit into the spiral – from honey glass to mystery pack.

EFFICIENZ-CHAMPION: Since the system runs without cooling (Ambient), it is extremely energy efficient and low maintenance. Perfect for non-food and durable goods or Mystery Packs.
