Product description

Smart Touch Machine Master

HIGH-END VENDING WITH 22" DISPLAY

The **ZK-22SP** is a master station for a locker. With his huge **22 inch touchscreen** he encourages customers to buy a product. Robustly built for temperatures from -10 ° C to +40 ° C and always connected thanks to 4G/WiFi.

? Always clear view: Anti-beating discs ensure that your goods are perfectly presented even in weather rejuvenation.

? Extreme robustness: Unproblematic operation of icy -10 ° C to hot +40 ° C outdoor temperature.

? Smart Connected: Integrated 4G & WIFI module for remote maintenance and sales data in real time.
