Product description

POWER PERFORMANCE • SOCIAL MAGNET

Boxer King

Measure your strength. The Boxer King is the ultimate public magnet for bars, cinemas and events – highly emotional and extremely profitable.

?

Competition

Nothing attracts groups as much as a force fair. The integrated high-score display ensures immediate rivalry and endless replays within a group.

?

Heavy Duty

Built for maximum load. The reinforced mechanics and the long-lasting box bag hold even the strongest blows in continuous operation.

?

Immersive sound

Dynamic sound effects and voice output comment on the performance of players and increase the event feeling at the location massively.

?

Plug & Play Setup

Easy installation and minimal power consumption (350W max). Thanks to the compact footprint ideal for entrance and exterior areas.
