Product description

PULSE VENDING • HIGH FREQUENCY MAGNET

Crazy Lollipop

Tension, game and sweet reward. The Crazy Lollipop is the ultimate frequency provider for locations with family focus.

?

Profit guaranteed

No frustration: Every player wins! Lucky decides about 1, 2, 3, 5 or even 10 Lollipops. This ensures an extremely high replay rate.

?

Visual Magnet

Inconspicuous LED lighting and intuitive operation attract children and young people magically. The music function can be switched off flexibly for quieter locations.

?

2-Player mode

Double fun, double turnover. The device is designed for up to two players simultaneously – ideal for siblings and friends.

??

Plug & Profit

High quality processing, adjustable coin insert and a lockable coin compartment make the operation safe and low maintenance.
