Product description

IMMERSIVE VIDEO SPORTS • HIGH-END REDEMPTION

Epic ShooterBasketball

Physical action meets digital spectacles. The Epic Shooter is not just a game, but a visual landmark for your location.

??

Vertical Video Immersion

The huge vertical screen delivers real-time animations and stadium scenes that draw the player in the middle of action. An incomparable upgrade to the classic basket.

?

Support Customize

Adjust the machine to your branding. We support individual adjustments in housing and software integration.

???????

Family Entertainment

Optimized for players from 5 years. The intuitive operation and the fascinating light design attract all ages equally.

Profitability check ?

Video basketball machines achieve up to 40% more sales than standard models due to the show effect.

COMMITMENT

Excellent

REPLAY RATE

+ 70%

BREAK-EVEN

Short term

VENDY1 Expert Tip: Set two units next to each other (linkable mode) to promote social competition. The psychological appeal of the "live-duel" on the screen effectively doubles sales per guest.
