Product description

TIMELESS CLASSIC • RETRO EVOLUTION

Retro Arcade

Return the golden era of video games. Modern hardware in the classic case for the ultimate duel to second.

??

Real arcade feeling

Precise joysticks and haptic buttons guarantee the authentic game experience. Thousands of game classics provide endless variety without boredom.

?

Single or Duo Player

Together or against each other. The model is designed for intensive 2-player action – perfect for bars, offices or lounges.

?

Ultra-Efficient

With only 150W power consumption, the machine is extremely economical in operation. Modern LED technology protects the wallet and hardware.

?

Compact stand device

Slim design with a footprint of only 63x75 cm. Fits in every niche and yet becomes the center of the room immediately.
