Product description

INTERGALACTIC COMBAT • 2-PLAYER MISSION

War Space

Conquer the universe. The War Space CP-Y017 offers immersive sci-fi action for two players and maximum visual presence at the site.

?

Co-op and Versus fashion

Double number of players means double sales. Whether as a team against aliens or in direct duel – the CP-Y017 model promotes social interaction and ensures extremely high replay rates.

?

Sci-Fi Presence

With a height of 2.50 m, the machine functions as a landmark. The futuristic LED lighting and housing design attract fans of Star Wars & Co. magical.

?

Eco-Efficiency

Brutal optics with minimal consumption. With only 200W power consumption, the War Space is one of the most energy-efficient machines in its class.

??

Solid build

300 KG combat weight guarantee absolute stability. High-quality joysticks and buttons are designed for hard commercial continuous operation.

Technical specifications

Business Case: Galactic ROI ?

Shooters are timeless classics. The War Space combines nostalgic gameplay with modern design.

MARGE

100% (No Fill)

TRANSIT

High speed

ROI

Very fast

VENDY1 Expert Tip: War Space is a "Low Maintenance" champion. Since no physical filling material is required, the machine generates almost pure cash flow. Place it near waiting zones (cinema, bowling center) to maximize spontaneous purchases by the 2-player model.
