

# Racing Simulation Thunder Speed Solo Player

The Thunder Speed: Ultimate racing simulator with 1 screen.

**Item number** UD10741

## Product description

### Arcade Racing Machine

## Thunder Speed CP-C001

The Thunder Speed is a striking racing machine with 47-inch display, dynamic seat and sporty arcade design. Ideal for locations where entertainment, attention and additional sales opportunities are required.

### Realistic racing feeling for heavily frequented locations

With its large screen, the racing cockpit and the moving seat, the Thunder Speed offers an intense gaming experience. The distinctive design ensures attention from the distance and makes the machine a strong eye-catcher.

The machine is particularly suitable for arcade halls, amusement parks, shopping centres, cinemas, event areas and Family Entertainment Center.
