Product description

Arcade Machine

55-Inch Time Pilot Arcade Machine

The 55-Inch Time Pilot Arcade Machine is a large, eye-catching single-player entertainment machine for arcade halls, leisure areas, shopping malls, event spaces and entertainment venues. With its big screen, futuristic cockpit design and strong visual presence, the machine is a true showpiece for visitors.

Big arcade experience with a 55-inch screen

The machine is designed for one player and delivers an intense arcade experience on a large 55-inch display. The combination of big screen, seating/cockpit area and striking cabinet design creates a particularly premium entertainment impression at any location.

The machine is ideal for operators who want to deploy a large premium arcade machine that instantly attracts attention and actively encourages visitors to play.

Benefits at a glance

Large 55-inch screen for maximum visibility

Futuristic cockpit design

Designed for one player

Ideal for arcade and leisure areas

Strong presence thanks to the large cabinet

Operates on 110–220 V

For locations with high visitor traffic

Thanks to its size and striking design, the Time Pilot Arcade Machine is especially suitable for locations that call for a highly visible entertainment offering. It can be used as a single main attraction or integrated into a larger arcade area.

Weighing approx. 400 kg, the machine is intended for stationary use. Its large build creates a premium appearance and makes the machine particularly interesting for professional operators.
