Item number UD10876

Product description

Original TCN Trays for Your Vending Machine

Replacement and expansion trays for TCN vending machines of the 6G, 9G, 10G, 11G and CSC-10C series. Select the tray type and machine model above to get exactly the right tray.

Tray Types

- **Spiral tray (without motors & spirals):** empty tray. Order motors and spirals separately in the pitch you need – so every slot fits your products perfectly.
- **Conveyor belt tray:** fully assembled with conveyor belts and motors – ideal for bottles, cans, boxes and fragile products.
- **Side-push tray:** fully assembled with side pushers and motors – for narrow, tall products such as bottles.

Accessories for Spiral Trays

For spiral trays you need one [single motor](#) and one [spiral](#) per slot (for CSC-10C: [extended spirals](#) and extended single motors).

Your Benefits

- Original TCN spare part
- In stock in Nabburg, Germany
- Technical support from the VENDY1 team
